

VAULT

Buyer Terms and Conditions

Paylumo Private Limited |

Contact: support@vaultpay.co.in

These terms govern your use of Vault as a Buyer. By accepting these terms and proceeding to payment, you enter into a binding agreement with Paylumo Private Limited. If you do not accept these terms, you may not purchase tickets through Vault.

1. Definitions

"Vault" means the platform operated by Paylumo Private Limited at vaultpay.co.in.

"Buyer" means you, a registered user who purchases a ticket through Vault.

"Seller" means a registered user who lists a ticket for sale on Vault.

"Listing" means a ticket offered for sale by a Seller on Vault.

"Receiver Details" means the name and mobile number you provide, to which the ticket is to be transferred.

"Ticketing Platform" means the third-party platform through which the ticket was originally issued.

"Service Fee" means the fee payable to Vault under Clause 6.

"Confirmation Period" means the period specified in Clause 5.4 within which you must confirm receipt or raise a dispute.

2. Nature of the Service

- 2.1 Vault is an intermediary within the meaning of Section 2(1)(w) of the Information Technology Act, 2000. Vault holds your payment in escrow and releases it to the Seller only in accordance with these terms.
- 2.2 Vault is not a party to the contract of sale between you and the Seller, is not the seller of any ticket, does not take title to or possession of any ticket, and is not affiliated with, endorsed by or acting as agent for any event organiser or Ticketing Platform.
- 2.3 Listings are created by independent Sellers. Vault does not verify the authenticity, validity or description of any ticket. Vault's undertaking to you is limited to the protection of your funds as set out in these terms.
- 2.4 Sellers set their own prices. Prices may exceed or fall below the original face value of the ticket. Vault neither sets, recommends nor caps ticket prices.

3. Eligibility

- 3.1 You must be at least 18 years of age and competent to contract under the Indian Contract Act, 1872.
- 3.2 You must be resident in India and transacting in Indian Rupees.
- 3.3 You must maintain accurate registration details, including a mobile number registered on WhatsApp, and are responsible for all activity conducted through your account.
- 3.4 You may not operate multiple accounts to circumvent any restriction, nor use Vault for commercial ticket-broking without Vault's prior written consent.

4. Verification Before Purchase

- 4.1 Before proceeding to payment you must verify the particulars of the Listing, including event, date, time, venue, quantity, category and Ticketing Platform.
- 4.2 No refund is available for purchases made in error, including purchase of the wrong event, date, category or quantity.
- 4.3 Certain Ticketing Platforms restrict or prohibit onward transfer. Vault has no control over, and accepts no responsibility for, such restrictions.

5. The Transaction

- 5.1 On successful payment, your funds are held by Vault in escrow and are not remitted to the Seller at that stage. The Seller is notified that payment has been secured.
- 5.2 The Seller must initiate transfer within 30 minutes of notification. If the Seller fails to do so, the transaction is cancelled automatically and you are refunded in full, including the Service Fee.
- 5.3 Upon initiating transfer, the Seller must complete it and submit evidence within 15 minutes.
- 5.4 You have 15 minutes from submission of the Seller's evidence to confirm receipt or raise a dispute. If you do not respond within that period, receipt is deemed confirmed, the transaction completes and funds are released to the Seller.
- 5.5 Certain Ticketing Platforms take several minutes to reflect a transfer. Before raising a dispute you should check the relevant section of your Ticketing Platform account, accept the transfer where acceptance is required, and allow approximately five minutes for it to appear.

6. Fees and Payment

- 6.1 Vault charges a Service Fee of 5% of the ticket price. The Service Fee is displayed before payment and is included in the total sum payable by you.
- 6.2 The Service Fee is consideration for Vault's escrow, transfer-monitoring and dispute resolution services, and is separate from the ticket price.
- 6.3 Payments are processed through Razorpay. Vault does not store your card, UPI or banking credentials.
- 6.4 All sums are in Indian Rupees and inclusive of applicable taxes unless stated otherwise.

7. Receiver Details

- 7.1 You must provide the name and mobile number registered with your Ticketing Platform account, together with a mobile number registered on WhatsApp for dispute communication.
- 7.2 You warrant that the Receiver Details are accurate and relate to the account intended to receive the ticket. Where you purchase on another person's behalf, you warrant that you are authorised to provide their details.
- 7.3 Receiver Details cannot be amended after payment. A transfer made in accordance with the Receiver Details you supplied constitutes complete performance by the Seller, and no refund is available where those details were incorrect.
- 7.4 Where your Ticketing Platform requires the recipient to accept a transfer, you are responsible for doing so.

8. Disputes

- 8.1 You may raise a dispute within the Confirmation Period where the ticket has not been received, or where the ticket received differs materially from the Listing.
- 8.2 A dispute must state the grounds relied upon and should be accompanied by supporting evidence. Disputes unsupported by evidence are less likely to be upheld.
- 8.3 Vault will determine disputes on the evidence submitted by both parties together with the transaction record, ordinarily within 48 hours.
- 8.4 You must respond to requests for information within 24 hours. Failure to respond may result in determination on the evidence available.
- 8.5 Vault's determination is final as regards the release or refund of escrowed funds. This does not affect any independent legal right you may have against the Seller.
- 8.6 Raising a dispute known to be unfounded, or submitting fabricated evidence, constitutes a material breach of these terms and may result in suspension or termination of your account.

9. Refunds

A full refund, including the Service Fee, is due where:

- (a) the Seller fails to initiate transfer within the period specified in Clause 5.2;
 - (b) a dispute is determined in your favour under Clause 8; or
 - (c) Vault cancels the transaction for any other reason attributable to the Seller.
- 9.1 No refund is due where the transaction completes, where receipt is deemed confirmed under Clause 5.4, where a dispute is determined in the Seller's favour, or where Clause 4.2, 7.3 or 11 applies.
 - 9.2 Refunds are initiated to your original payment method and are ordinarily credited within five to seven business days. Vault is not liable for delays attributable to your bank or payment provider.

10. Prohibited Conduct

You must not:

- (a) transact with a Seller outside Vault following contact made through the platform;
 - (b) provide false Receiver Details, or another person's details without authority;
 - (c) raise dishonest disputes or fabricate evidence;
 - (d) use Vault for any unlawful purpose, including money laundering or fraud;
 - (e) attempt to access any part of the platform you are not authorised to use, or interact with it by automated means; or
 - (f) harass or abuse any Seller or member of Vault's personnel.
- 10.1 Vault may suspend or terminate your account, cancel pending transactions and withhold disputed funds pending investigation where these terms are breached.

11. Events After Completion

- 11.1 Vault's service is the secure transfer of a ticket from a Seller to you. On completion of that transfer, Vault has performed its obligations in full.

- 11.2 Cancellation, postponement or alteration of an event by its organiser following a completed transaction is not a ground for refund by Vault. Any such refund is governed by the policies of the event organiser and the Ticketing Platform, under which you may claim directly as holder of the ticket.
- 11.3 Vault will on request provide the transaction record and transfer evidence held on its systems to assist any such claim.
- 11.4 Vault is not responsible for refusal of entry to a venue, including refusal on grounds of organiser policy on resold tickets, identity verification or capacity.

12. Liability

- 12.1 Nothing in these terms excludes liability for fraud, for death or personal injury caused by negligence, or for any liability that cannot lawfully be excluded, including under the Consumer Protection Act, 2019.
- 12.2 Subject to Clause 12.1, Vault's aggregate liability in respect of any transaction shall not exceed the sum paid by you in respect of that transaction.
- 12.3 Vault is not liable for indirect or consequential loss, including loss of enjoyment, travel or accommodation costs, or loss of opportunity.
- 12.4 Vault is not liable for the acts or omissions of any Seller, event organiser, venue or Ticketing Platform, nor for failures of payment, banking or telecommunications systems outside its reasonable control.

13. Data

- 13.1 Vault processes your personal data in accordance with its Privacy Policy and the Digital Personal Data Protection Act, 2023.
- 13.2 You consent to Vault disclosing your Receiver Details to the relevant Seller for the purpose of effecting the transfer, and to disclosing evidence submitted in a dispute to the counterparty.
- 13.3 Vault retains transaction and dispute records for not less than three years.
- 13.4 Vault communicates through in-application notification, email and WhatsApp on the number registered to your account. Vault will not request your password, banking credentials or any one-time password.

14. General

- 14.1 Vault may amend these terms on not less than seven days' notice. The version in force when you accept them governs that transaction.
- 14.2 These terms are governed by the laws of India. Subject to Clause 14.3, the courts at [CITY] shall have jurisdiction.
- 14.3 Nothing in Clause 14.2 limits any right you may have as a consumer to approach a Consumer Disputes Redressal Commission under the Consumer Protection Act, 2019.
- 14.4 Grievances may be addressed to: support@vaultpay.co.in
- 14.5 If any provision is held invalid, the remaining provisions continue in force. Failure to enforce any provision does not constitute waiver.
- 14.6 These terms, together with the Privacy Policy, constitute the entire agreement between you and Vault. You may not assign your rights. Vault may assign its rights on notice.
